INGREDIENTS

- **CHOCOLATE PUDDING** (pre-made snack pack pudding cups, 4-pack makes 2 treats)
- **CHOCOLATE SANDWICH COOKIES** (crushed, approximately 25)

1. Wash and dry the toy dinosaurs. Set them aside for the last step.
2. Place the chocolate sandwich cookies in a large plastic bag. Using a rolling pin or something else heavy, crush the cookies until you get a mix of large to small "dirt" pieces.
3. In the clear plastic cups, begin by adding a layer of some crushed cookies, followed by the chocolate pudding.
4. Add another layer of crushed cookies, followed by more chocolate pudding, and topping off the cup with crushed cookies.
5. Place a toy dinosaur on top of the crushed cookies and you got one delicious PAW Patrol: Dino Rescue treat!
